

RHA is expanding our Hilltop Substance Use Treatment Services to the Oxford area in Granville County.

Life. Journey. Recovery. Hope.

Dear Colleague,

RHA Health Services is pleased to announce that we will be expanding services to the Oxford area on DATE. Our Hilltop Comprehensive Substance Use Services will be accepting referrals. Expect more information on the best way to refer persons supported in the near soon.

We will be scheduling a ribbon cutting in the near future and will let you know the date and time.

We are committed to hope and healing in all aspects of addiction and recovery in the midst of the opioid epidemic in communities across the country. Our approach is to provide holistic care and long term treatment and see this as a gateway to recovery and a successful personal path to healthy living.

RHA will provide the following services in your area:

- Comprehensive Clinical Assessment
- Medication Assisted Treatment & Therapy
- Substance Abuse Intensive Outpatient Treatment

Our goal is to help each person we support to understand their addictive disease and to establish a commitment to recovery.

Please let me know if you have any questions about our programs. I look forward to working with you and assisting your practice in any way I can.

Best Regards,

Pam Stalls
