Who We Are

At RHA Health Services, the people we serve and support are at the very center of everything we do.

RHA provides disability services in Georgia, New Jersey, North Carolina, Pennsylvania, and Tennessee. We also provide high-quality behavioral health services in North Carolina and Pennsylvania to support people with a wide variety of mental health and substance use needs as well as support services for those who are Deaf and Hard of Hearing.

Grow with Us

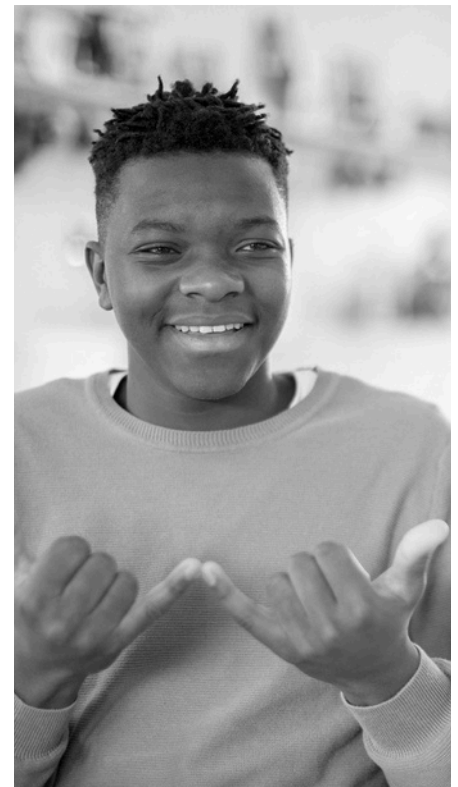

At RHA we are all about people — both the people we serve and support, and each member of our team. We are committed to recruiting dedicated, compassionate individuals and helping them advance to their highest potential within our organization through on-the-job training and leadership development opportunities.

Without our team members, RHA would not be able to provide the excellent level of care that defines our reputation. That's why investing in our staff with competitive benefits, rewards, and compensation programs is so important to us.
