

RHA Health Services provides a broad range of services and supports for adults with intellectual and developmental disabilities (IDD) in New Jersey.

Our person-centered services are built around individualized planning and understanding to help people with IDD live their best lives through sustaining meaningful community connections and reaching personal goals.

COMMUNITY-BASED RESIDENTIAL SERVICES

RHA's residential services create a place your heart calls home. Our residences offer 24/7 support to empower individuals to live their best lives.

Our focus is on promoting safety, person-centered growth, and community engagement to meet physical, psychological, and social needs.

DAY SERVICES

RHA's day services support individuals in pursuing their goals, whether they want to apply for a job, advance in their career, develop independence, or build relationships.

Our programs are thoughtfully designed to meet individual needs and interests while ensuring continuity of treatment plans.
