

At RHA Health Services, you can find a meaningful role that sits at the intersection of compassion and career. For more than 30 years, RHA has helped individuals with substance use challenges, mental health needs, and intellectual and developmental disabilities live their best lives.

Because the people we serve and support have remained at the center of everything we do, RHA is the place Where Humans Bloom. This includes our team of dedicated employees who are committed to making a difference in the lives of people we serve while advancing in their own career.

Apply today and discover a career where care, compassion, and community thrive.

BEHAVIORAL HEALTH SERVICES

In North Carolina and Pennsylvania, we offer a wide array of mental health and substance use services for adults and children, provided by experienced and compassionate professionals. This includes facility-based services in our offices and community-based services and crisis services to serve people where they are.

WHERE HUMANS BLOOM

At RHA we are all about people — both the people we serve and support and each member of our team. We are committed to recruiting dedicated, compassionate individuals and helping them advance to their highest potential within our organization through on-the-job training and leadership development opportunities.

Without our team members, RHA would not be able to provide the excellent level of care that defines our reputation. That's why investing in our staff with competitive benefits, rewards and compensation programs is so important to us.

If you are looking for a place to discover your potential, join our team at RHA.
