

WHERE
HUMANS
BLOOM

No matter what our particular burdens, our personal struggles and challenges, each of us is deserving of the chance to live our best possible life. To be proud of our accomplishments. To be fulfilled by our choices. To be welcomed into our community. To be forgiven for our mistakes and seek the tools to correct them. To be free from judgment, ignorance, and mistrust. To sing when we feel joyful, weep when we feel sorrow, and fight when we feel wronged. To plan and work and love and share and strive. That's why RHA is here, doing what we're doing. We want to give all of us — regardless of status or circumstance — the chance to grow, to learn, to bloom.

WHERE TROUBLES EASE

Disability Services

We are dedicated to supporting people with disabilities as they strive for increased independence, personal growth and opportunities in their communities.

Our comprehensive support network spans several states and serves children and adults of every level of need. Our person-centered services and supports reflect our commitment to inclusion and holistic, integrated care.

Every day, RHA fosters real opportunities for individuals with physical, intellectual and developmental disabilities, supporting them as they learn and develop new skills.

Deaf & Hard of Hearing Services

RHA offers a broad range of behavioral, developmental and therapeutic support programs to Deaf and Hard of Hearing individuals in an environment free of cultural or language barriers. We serve people who utilize sign language as their primary mode of communication.

Services vary by location. Call 800.848.0180 or visit our website for additional information.

Behavioral Health Services

RHA is a leading provider of high-quality supports and services for people with a variety of behavioral health needs.

We offer a wide array of mental health and substance use services for adults and children, provided by experienced and compassionate professionals. This includes facility-based services in our offices and community-based services and crisis services to serve people where they are.

Regardless of where you are on the road to

recovery and wellness, we offer services to meet your needs.

Hilltop is RHA's Comprehensive Substance Use Services program. Hilltop specializes in providing comprehensive wraparound support, advocacy, and various levels of treatment to people who struggle with addictive diseases.

Services vary by location. Please call us at 800.848.0180 or visit our website for additional service and location information.

WHERE FUTURES OPEN

Founded in 1989, RHA began as a small provider of support services to people with intellectual and developmental disabilities in North Carolina.

Over the years, we have expanded to include a broad range of disability services and continue to add other types of services across multiple states to meet our communities' needs. We have also added high-quality behavioral health services to support people with a wide variety of mental health and substance use needs as well as support services for those who are Deaf and Hard of Hearing.

We focus on helping people live their best lives through setting and reaching personal goals, forming and sustaining meaningful community connections and relationships, achieving positive outcomes in health and wellness, and more.

comforted time and time again with the acceptance, love, concern, and respect that we and our son have been given. Our family has always been welcomed, and our thoughts and concerns have been addressed.”
